## **Sauces**

All of our sauces are gluten-free and vegan. No artificial smoky flavor or corn syrup is added, and no additives or preservatives are used.

**Sticky Sweet**: This is the secret recipe from the Sauce Goddess' dad. It's a sweet BBQ sauce with no smoky flavor and is an excellent multi-purpose sauce for pork ribs, chicken and fish (especially salmon). Sticky Sweet Grill Glaze is also excellent for dipping, as a condiment on sandwiches, and crockpot creations. Kids love this one!

**Sweet & Spicy**: This award winning sauce is known for its sneaky heat. Nice sweet flavor, then a kick of cayenne. This is also an excellent multi-purpose sauce that is great for sloppy joes, shrimp, BBQ chicken pizza, wings, quesadillas and most any recipe you want to create or spice up!

**Big & Tangy**: This sauce has a big bold flavor. It is made with apple cider vinegar and loads of black pepper. It makes a flavorful and tangy catsup, meatloaf, chili, pasta sauce, BBQ and a fabulous Bloody Mary.

**Sweet Red Devil**: This is a deliciously fruity sweet hot sauce. It's spiced up with the Red Sevina Habanero. What makes it unique is the sweet taste then a burst of heat that really warms things up. It's great for grilling and dipping, and as a condiment on sandwiches, wraps and burgers.

**Sweet & Tangy Competition Style**: This sauce is a thin mop style sauce. It's been used in competitions for years by the Sauce Goddess competition BBQ team. Because it has less sugar, it also makes a great marinade.

## **Spice Rubs**

All of our Spice Rubs have a very unique flavor profile. As with our sauces, they are gluten free, vegan and contain no additives or preservatives. We only use the ingredients needed for flavor with no anti-caking additives.

**Original Super Chunk**: An all-purpose seasoning that's delicious on chicken, pork, halibut, potatoes, and asparagus. Step it up from ranch dressing and create a flavorful dip by mixing with sour cream.

**Moroccan Twist**: This seasoning blend is exotic and similar to a curry. It's terrific on lamb, chicken, pork and eggplant. It's also creates an amazing taste sensation on grilled apples or sweet corn.

**Latin Heat**: Similar to a spicy Mexican chorizo seasoning with a flavorful pop of heat. A few shakes of this spice rub is a great way to jazz up steak, pork, eggs, fish and veggies. Try it with your favorite dip recipes to spice them up.

**BBQ Sweet Heat**: This award winning spice rub can be used as a spicy all-purpose seasoning terrific on shrimp, chicken, pork and steak. Also, makes a great tangy dip for veggies when mixed with sour cream.

## Salted Caramel Corn

All of our Salted Caramel Corn flavors trick your taste buds with a sweet and salty flavor then kick your mouth with a spicy aftertaste. As with our sauces and spices, they are gluten free, vegan and nut free.

**Moroccan Twist**: We spiced up caramel corn with our Moroccan Twist spice blend. Your tongue will be doing the twist over this one.

**Sweet Heat**: For this one we coated salted caramel corn with our BBQ Sweet Heat Spice Rub, brown sugar, garlic and cayenne. It's savory, sweet and spicy all in one bite.

**Devil's Bite**: It's ridiculously spicy and charmingly sweet. It's the only caramel corn that will bite you back. Take one bite and feel the heat rise as each moment passes.
